Apple Market, formerly Country Store, Jobs

Apple Specialists: Do you love apples? This role will be perfect for you in that you will be the apple specialists on the farm. The goal of this role is to have increased knowledge of our apple process from growing until they are in the hands of our consumer. You will be working in our retail location known as the Apple Market, previously known as the Country Store, where you will be responsible for maintaining the appearance of the retail location by arranging and restocking merchandise and keeping displays full. You will be standing much of the time and engaging with guests, offering samples, talking about our apples, and assisting guests in selecting apples based off their needs. You may be working alone or with a team.

Retail Cashier: This is a cashier position who will assist guests ring up their purchases using an iPad system, and practice safe money handling. It is imperative to capture all items from the guest and scan each item. You will be using an iPad cashier system, scanner, scale, credit card processing machine, iPad mini sign pad and a receipt printer. While the purchase is being completed you will also bag the order up if there is no assigned bagger to your location. You will be standing much of the time; anti-fatigue mats will be provided. Secondary duties include keeping the register area clean, stocking merchandise, cleaning shelves, and reporting to work on-time. Must complete cashier training.

General Staff: This position will assist in all areas of the country store. You will not be assigned to any one job, but you will learn all of them. This position requires lifting and standing for periods of time. ***Other locations include grocery bagger, floater, and product demonstrator.***
